(Junior rate is 4 points on a weekday and 5 points at the weekend)

All points can also be used for Guests' golf when played with a member. A member is permitted to sign in a maximum of three guests per day.

Individual Membership points are perpetually valid providing that the minimum option of points required is purchased each year.

Family Membership entitles a family of up to four persons to share one option of points. To qualify for a family membership all persons nominated must reside at the same address. All family membership points are perpetually valid providing that the minimum option of points required is purchased each year.

Company Membership entitles a Company to have between 2 and 4 nominated card holders which become members of the Club. These membership cards can subsequently be passed to Company employees/clients and guests to play golf. Each card can be used for a maximum of 4 players at any time. All Company Membership points are perpetually valid providing that the minimum option of points required is purchased each year.

When you have used up your points, simply choose from Options A - D for your next rounds at the Club.

A members membership year runs twelve months from their last purchase.

To become a Member, just browse through the above options, fill in the application form on the reverse of this page and look forward to a lifetime of membership from as little as £299 per annum.
